# BUDGET MESSAGE 2012 (PRBRSA FY 2013)

## Pequannock River Basin Regional Sewerage Authority

### AUTHORITY BUDGET

FISCAL YEAR: FROM November 1, 2012 TO October 31, 2013

**1. Complete a brief statement on the Pequannock River Basin Regional Sewerage Authority's proposed Annual Budget and make comparison to the current year's adopted budget. Explain significant increases or decreases, if any.**

The 2012 (PRBRSA FY 2013) Annual Budget proposes a 0.5% increase in revenues and appropriations over the prior year. The budget reflects a 1.8% rate increase to the municipalities (i.e., Annual Charges) increasing from \$4,920,000 to \$5,010,000.

**2. Complete a brief statement on the impact the proposed Annual Budget will have on Anticipated Revenues, especially service charges and on the general purpose/component unit financial statements. Explain significant increases or decreases, if any.**

As indicated in (1) above, the budget reflects a 1.8% increase in Annual Charges over the prior year. Although the rate increase is uniform for the four towns served by PRBRSA, due to differences in the service contract cost allocations and in the consumptive use of each municipality (i.e., projected sewage flows), the budget reflects the following changes from the prior year: Bloomingdale: -0.2%, Butler: 1.2%, Kinnelon: -6.1%, and Riverdale: 11.8%).

**3. Describe the state of the local/regional economy and how it may impact the proposed Annual Budget, including the planned Capital Budget/Program.**

The local economies, particularly that of the Borough of Bloomingdale, continue to experience budget stress.

**4. Describe the reasons for utilizing Unrestricted Net Assets in the proposed Annual Budget, i.e. rate stabilization, debt service reduction, to balance the budget, etc.**

Not applicable

**5. If the proposed Annual Budget contains an Accumulated Deficit either existing or anticipated, pursuant to N.J.S.A 40A:5A-12, then an explanation as to reasons for occurrence must be disclosed.**

# 2012 Capital Budget/Program Message (PRBRSA FY 2013)

## Pequannock River Basin Regional Sewerage Authority

(Name)

**FISCAL YEAR: FROM November 1, 2012 TO October 31, 2013**

**1. Has each municipality or county affected by the actions of the authority participated in the development of the capital plan and reviewed or approved the plans or projects included within the Capital Budget/Program?**

The Boonton Avenue Interceptor project is currently in development. As the project moves forward, the towns will be advised of the plan, the budget and related fiscal implications.

**2. Has each capital project/project financing been developed from a specific capital improvements plan or report; does it include full lifecycle costs, and is it consistent with appropriate elements of Master Plans or other plans in the jurisdictions served by the authority?**

Yes, from the Authority's overall plan to upgrade the aging infrastructure that it acquired from Bloomingdale and Butler in 1987

**3. Has a long-term (10-20 years) infrastructure needs assessment or other capital plan with a horizon beyond six years been prepared?**

Yes – an updated capacity needs assessment is currently underway in conjunction with the four municipalities and the Two Bridges Sewerage Authority.

**4. Describe the projected impacts of the proposed capital projects, including impact on the schedule of rates, fees, and service charges and the impact on current and future year's schedules.**

The FY 2013 capital budget proposes future bonding and application of Net Assets as Revenues. The capital program has not been formally approved to date and therefore has no financial impacts. On approval, the capital program's impacts on annual rates to the towns will be determined.

**5. Please indicate which capital projects/project financings are being undertaken in the Metropolitan or Suburban Planning Areas as defined in the State Development and Redevelopment Plan.**

Not applicable.

**6. Please indicate which capital projects/project financings are being undertaken within the boundary of a State Planning Commission-designated Center and/or Endorsed Plan and if the project was included in the Plan Implementation Agenda for that Center/Endorsed Plan?**

Not applicable.

**Add additional sheets if necessary.**
